Photo Contest

The Contest

The annual Kane-DuPage Soil and Water Conservation District Photo Contest is part of a larger statewide competition hosted by the Association of Illinois Soil and Water Conservation Districts (AISWCD) Photo Contest, and ultimately the national competition hosted by the National Association of Conservation Districts (NACD). The contest is open to all amateur photographers who live in Kane or DuPage Counties. There are two age divisions, youth and adult 19 and up. Contestants can enter as many as two photos in each of the categories

Judging

Photos are judged on technical merit and composition. On technical merit, photos will be judged on whether they are well-framed, properly exposed, and sharp/clear. On composition, the photos will be judged on imagination and creativity.

Minor digital enhancements for cropping, red-eye removal, filters and corrective functions are permitted; however, an image judged to be significantly altered may be disqualified. Contestants are not permitted to place borders, frames or backgrounds around their images or to place watermarks, dates, signatures or copyright images onto photos. Previously published photos are ineligible

Photo Categories

Photos should be taken within Kane or DuPage Counties. TIP: research these topics to ensure accurate portrayal!
