I understand the filling out of this application allows an authorized representative of the Kane-DuPage County Soil and Water Conservation District to visit and conduct any necessary on-site investigations to determine eligibility of this proposed project. I understand that this application does not guaranteed cost share funding for this project. I understand that the above funding estimates are for reference only and final calculations will be provided with the final project outline. I understand that this is only an application and if funded, I will be required to sign additional cost-share agreements with the Kane-DuPage County Soil and Water Conservation District. I understand that it is required for me to fill out a S.T.A.R. application in order to receive funding. Project funding will be decided by the Kane-DuPage Soil and Water Conservation District based on funding availability and restrictions set by the Illinois state cost share guidelines and the Kane-DuPage County Soil and Water Conservation District Board cost share guide lines. This project will no longer be eligible for cost-share funds if construction on this project is started before funding decisions are made and/or started before a cost-share contract is signed.
